WHAT IS INCLUDED:

For \$149 one time cost, GTX Corp Representatives & Authorized Retailers receive the countertop display, complete with a demonstration insole and brochures. Product training and informational resources also available. Receive a \$40.00 commission for each GPS Smart Sole and \$20.00 for each Take- Along Tracker.

ASSISTING CUSTOMERS:

Promote the product to your customers and assist with their purchase through the gpsmartsole.com online store. With your unique promo code, even if a customer later buys later or online, you still get the commission! No handling payments, no handling returns. Just value added to your customer as you assist them with Q & A, and how to use their device - a great way to build a customer relationship!
